Important information: Designer Collection products are stocked in the UK & are available for fast delivery, subject to availability.

All sizes provided are nominal & provided as a guide only. As porcelain & ceramic tiles can vary in colour/tone & texture, the information enclosed is to give an approximate idea of the goods only. Whilst every effort has been made to ensure that the information within this brochure is accurate, the limitations of production & digital screens may cause colours to vary from the physical material. The images within are for illustration purposes only. For specific sizes & further information on colour/tone & texture, please contact our expert team.
